

"We realise our staff want to enjoy the nice things in life despite the rising cost of inflation. The LogBuy Employee Benefits programme provides a range of discounted products that can support them in that. The discounts will be particularly useful for staff in the current economic climate"

**Jasvier Boyal, Deputy Director of HR, The Big Lottery Fund'**

"Edexcel was looking for a benefits solution that would offer our 1200 employees easy access to discounts from both leading brands and local retailers. Both their easy to use systems and strong, clear communication material were the key factors in our decision to switch provider to LogBuy"

**Sandra Garland, Human Resources Advisor, Edexcel**

We wanted to offer a minimal cost, maximum benefit discount scheme, so we opted for LogBuy. It was quick and simple to set up; the team has been great and is always on hand to answer any questions or queries. The best thing about the scheme for us is that we have the chance to mould it and shape the discounts we get by suggesting local restaurants, shops, etc."

**Aimee Kuehnel, HR Advisor, Geotrace**

Our staff are so important to us, and we are pleased to announce the launch of this new programme, which delivers genuine benefits and savings. LogBuy offered the perfect solution to our needs.
